Council Meeting of
July 8, 2003

Agenda Item: 11

Dear Ms. Kost:

I would like to speak before the Lynchburg City Council at its July 8, 7:30 p.m., meeting regarding what I perceive to be double taxation. The BPOL tax I pay on gross receipts includes alcohol sales. In addition, I receive a separate bill from the City charging a flat fee for alcohol sales. To me this represents double taxation.

Sincerely,

A handwritten signature in cursive script that reads "Brian W. Jones".
